June - Present - Assistant Coach/Mentor

Lenox Road Baptist Church Eagles uses the passion for basketball as an incentive to bring youths into the Church where they can learn essential skills that can be used on and off the court preparing them for the next level.

MONTAGE, Quinnipiac Univ.

FA 2009 - SP 2010 - Editor/Designer

Student-run literary magazine that showcases student art, photography, and literary work. I worked together with colleagues to select art and literary works to publish, and assisted in the layout design.

BLACK STUDENT UNION, Quinnipiac Univ.

FA 2008 - SP 2010 - Designer

We promote an appreciation of black heritage on campus through cultural activities, conferences, and events. I created the look and feel of our flyers and promotional assets for events throughout the year.

EMPLOYMENT HISTORY

CONCEPT ONE ACCESSORIES,

New York, NY

January 2013 - Present - Graphic Production Designer

I work in the Sports Department creating Men's and Women's bags, and hats. Some of my duties include providing support to the art director with production and design assistance, apply creative content using official team standards to multiple deliverables, and fulfill request for art from requesting parties.

EFLAT, Brooklyn, NY

December 2009 - January 2010 - Intern

I worked directly with the creative director in design and production capacities. My responsibilities were to design flyers and web graphics for clients. Maintain the office printer, stocking it with ink, paper and fulfilling daily office functions.

WAXPOETICS, Brooklyn, NY

August 2009 - September 2009 - Intern

I worked with a team of interns in the publications department. My duties were to create and update the weekly web blast, and photograph magazines and products for the online storefront.

RESPONSE, New Haven, CT

September 2008 - May 2009 - Junior Designer

Some of my responsibilities were to update the company's website, execute the creative director's design concepts, and relay assets and information to the marketing department. One of my first assignments was to design and code a Wordpress theme for the company's blog.

SKILLS

DESIGN

While I was enrolled in college I gained an understanding of design rules that include emphasis and focal point, balance, rhythm, and unity. I possess technical drawing skills and use photography to enhance my work. I have an eye for detail, yet able to take an overall look at the aesthetic of a design.

SOFTWARE PROFICIENCY

I'm proficient in Dreamweaver, Illustrator, InDesign, Photoshop, and familiar with Flash and AfterEffects. I know and write HTML/CSS. I'm also proficient in Excel, Word, Powerpoint, Quickbooks Point of Sale, Magento, and Expression Engine.
